

## PROFILE

I'm a Account Design Specialist & Web Designer from Cebu, Philippines  
I enjoy building/designing professional looking/mobile friendly websites and graphic designs.

I've started as a Data Analyst on Accenture Inc. for three years and currently working as a Account Design Specialist & Web and Graphic Designer on EnfraUSA Inc. for almost six years now.

I'm responsible for migrating websites and creating graphic designs for the client such as banners, Business QR codes, backgrounds and etc.
